22nd June 2018

Newsletter No.18

Dear Parents,

This week has been extremely busy for our older children as they performed their amazing play 'Hoodwinked'. We were all extremely proud of how hard they had all worked and how well they performed. On Wednesday morning we waved goodbye to Year 6 as they headed off to The Grove in South Wales for three days. They have had a fantastic time and have enjoyed super weather – Mrs Jenks sent me this picture of the beach and a very blue sky this morning!

Guinea Pigs

Gingersnap and Bourbon are looking for a home for the summer holidays. It may be that you can only offer a week or two but we can arrange their schedule once we know who might be able to have them. All equipment and food will come with them.

Resources

If you are having a clear out and have any unwanted toys such as lego, small world figures, dolls etc. we could really make use of them in our Nurture sessions. Please bring any donations to the office.

Relationships and Sex Education Programme – All about me

In the summer term 2017, we introduced a new Relationships and Sex Education Programme across the school called 'Spring Fever'. 'Spring Fever' is a fully supported training and educational package which focuses on comprehensive Relationship and Sex Education across all year groups from Reception to Year 6.

Public Health have just updated the programme, after listening to feedback from staff, parents and the young people that receive the programme first hand. So 'Spring Fever' is changing and being updated: The most obvious change will be the name which will change to 'All About Me'.

We will be delivering the revised programme from Monday 2nd July 2018 across the school. Before we deliver the new materials, there will be an opportunity for you to 'drop in' and chat about the programme and any queries you may have with Mrs Lester and Mrs Jenks on Wednesday 27th June at 3pm in the hall.

Massive Mini Church Project

The models of the church are now displayed in St. Mary's for anyone to visit. The church is open everyday from 9am until about teatime if you would like to see them. They will be there all of next week.

Cubbington Fun Day

As you have probably seen from the posters around the village the Fun Day is happening on Sunday 8th July at the Cliff Cleaver pavilion and playing fields. This year they have the RAF carrying out a flypast in the Battle of Britain Memorial Flight Dakota. They are running a fancy dress competition based on the theme of flight, with a great prize of a flight simulator experience donated by Aeros at Baginton airport. It's free to enter, open to children and adults. Please see the poster below.

Please help us by entering this competition!

Our school needs you! Help us win £5,000 of National Book Tokens for the school library - and get £100 for yourself! Just enter the competition online, it only takes a minute: <http://po.st/schools18>

PE News

On Thursday 14th June there was a celebration evening for the Central Area Sports Ambassadors. We had a wonderful time finding out about all the School Games events that the children had been involved in supporting during the year and what they had learnt from them. We were very proud to hear how they had gained amazing experiences meeting other children, confidence in running events and invaluable leadership opportunities. We thank Zoe and Luke in year 6 who will be leaving us at the end of this year and look forward to our new Sports Ambassador team for 2018-2019 Katie, Christopher, Libby, Evelyn and James.

On Tuesday 12th June Mrs Arben took a group of six children to a Level 2 Multi Sports event at Whitnash Primary School. They performed to a high standard and gained a place at the Level 3 Change 4 Life Sports Festival at Warwick University. The children demonstrated superb sportsmanship and encouraged each other in all events and Mrs Arben and Mr Burley were very pleased with them all. We wish them the best of luck on July 6th – ‘Go Cubbington!’
