16th February 2018

Newsletter No.11

Dear Parents,

It has been such a busy few weeks in school and we are starting to see some signs that Spring might be around the corner. We've had Pancake Day, Valentine's Day and Lent has started for some of us. We had a visit from the Warwickshire Cricket board who gave an assembly to the children to promote cricket and the children in Years 4 and 5 have started some sessions with a cricket coach.

The PTA hosted another successful quiz in school and I would like to thank everyone who was involved in organising it and taking part.

Next term we will be receiving the Cross of Nails from another local school as it goes on a pilgrimage around all 75 Church of England schools in the diocese. This is part of the celebrations for the 100th anniversary of the diocese. We will look after the cross of nails for a short while before sending it onto Leamington Hastings Infant School. You can follow the journey of the cross of nails [here](#) and you will notice that the cross has been travelling in some quite imaginative ways. If you have any ideas of how we can transport the cross of nails and some children to Leamington Hastings on Monday 16th April I would love to hear them!

World Book Day

Remember that it is World Book Day on Thursday 1st March and we are encouraging the children to come to school dressed as a book character. All children will receive a £1 book voucher at the start of the week and this can be redeemed at many high street book shops. We will be hosting an Usborne book sale after school on Tuesday 27th February in the school library and the book vouchers can also be used here. Here is a link to the Usborne catalogue if you wish to browse before the book sale:

We will be having a special World Book Day menu on Thursday 1st February. Please see the end of the newsletter for the menu.

Children's review of the trip to the Ricoh arena

On Monday 5th February, I went with Year 4 and Year 5 from Cubbington School to Coventry to visit the Ricoh Stadium. The Interview Room was very interesting. On a match day, important people are interviewed with cameras in front of the WASPs' wallpaper. I sat in a VIP seat usually reserved for important people. It was fun to see the players' ice bath. I touched it and it was very cold! I also saw the Manager's office and sat in his giant chair. When I went to the Broadcasting Centre at the top of the Stadium, I saw people planting grass seeds. The visit was brilliant. By Jules Year 4

We went to the Ricoh Arena on Monday 5th February 2018. We had the grand tour with Year 5. We went to the top of the grandstands. At the top of the grandstands I felt very scared but overall the trip was amazing. By Riley Year 4

PLEASE can you help?

Garden of Eden 'Big Dig' 24th March 10:00 to 13:00

The Garden of Eden is an area in the school grounds, managed by volunteers over the Spring and Summer, who support children at weekly lunchtime sessions to:

- Experience planting, growing, harvesting, selling and eating their own produce
- Understand the role of nature/wildlife in gardening
- Gain basic gardening skills and understand of gardening safety issues

To enable the gardening year get off to a good start, we are holding a 'Big Dig' morning on 24th March.

Our Christian Value next half term is HUMILITY

If you could spare some time to help tidy up and re-vitalise the area, you would be very welcome. For example: some paths & vegetable beds need new wooden surrounds; poly tunnel needs a clear out; nettles to be dug out; vegetable beds weeded).

As well as making a valuable contribution with your gardening and/or woodworking skills, it's an opportunity to catch up with old and new friends! Coffee/tea/squash and cake will be served in the Old School Room during the morning. If you have any questions, or would like to join the volunteers on a regular basis, please contact Pam (07792 994811 or 01926 719146)
