

Cubbington C E Primary School

Our aim is as simple as **ABC**

Achieving, Belonging, Caring

This year, Cubbington CE Primary School is continuing their involvement in the Warwickshire Young Carers' Project. We have already achieved Bronze and Silver award for our involvement in and support for the project and are now working towards the Gold award.

What is the Young Carers' Project?

Warwickshire Young Carers' Project offers support to Young Carers aged 8-25. Young Carers help to look after a sibling, parent or relative with a long term physical or mental illness, a disability or someone who misuses substances. They may be impacted by what is going on at home and may help in many different ways such as providing personal care, doing household chores, looking after siblings and giving emotional support.

The Warwickshire Young Carers' Project offer regular groups, activities and support for Young Carers across Warwickshire to give them time to have fun away from their caring responsibilities, to build friendships with other Young Carers and to spend time with supportive staff who understand their situation and will listen and help. We also provide support at school and with homework, help Young Carers get in touch with other services and offer one-to-one support for Young Carers to give practical and emotional support and help to prevent them taking on inappropriate caring responsibilities.

Please see our website for more details: **www.warwickshireyoungcarers.org.uk**

What does this mean at Cubbington CE Primary School?

We reinforce the project through assemblies to inform all children about the award and have held staff meetings to inform the staff. We have a termly lunch club to support any young carers and their friends. Parents of young carers have talked to staff and we have link governor to support the project. If you would like to find out more please use the web address above; alternatively you can email the office at admin3144@welearn365.com with your name, child's name and class or pop in and collect a leaflet from reception.

Thank you for your continued support,

Eleni Jenks
(Young Carers' Lead)
