Newsletter No.14

Dear Parents,

Welcome to the Summer Term! I hope that you are all enjoying the sunshine whilst we have it. It has been lovely to see the children on the field at lunchtime now that it has started to dry out. We started the week by welcoming visitors from Leamington Hastings Infant School as they came to collect the Cross of Nails from us. We had a lovely assembly focusing on our Christian value this term which is 'Generosity'. You can read about the pilgrimage [here](#) and there will be a write up about our experience on there soon.

Mrs Greenway

Unfortunately, Mrs Greenway is unwell. She has not been in school this week and will be off next week. We hope to have her back the following week. As you can imagine it is quite a challenge without her as she manages the day to day running of the office. Please accept my apology regarding late communications for sports clubs and any other things that may have been missed. We have now managed to put this onto Parent Pay if your child's name is on our lists. We will attempt to get dinners up to date on Parent Pay by the end of next week. In the interim we are being helped by Mrs Jean Trowton who has got experience of working in a school office so has been a great support.

Most improved learner awards

Each term we award a certificate and gift voucher to a child in each keystage who we feel has made significant progress across a term. The prize is donated by a former chair of governors. The award for last term has been given to Jayden G in KS2 and Lilly S in KS1 and we are very proud of them both.

Change to the lunch menu

There will be a slight change to the lunch menu next Monday 23rd April. The red option will be burger in a bun – not sausages. All other options are available as usual.

Healthy snacks

All children in Keystage 1 are provided with fresh or dried fruit every day at breaktime for their healthy snack as part of a government initiative. As this is not available in Keystage 2 we allow children to bring a snack in from home to sustain them throughout the morning. Please can you ensure that this snack is a healthy snack and not chocolate or other sugar laden items. We recommend fresh or dried fruit and vegetables or other low sugar snacks.

Warm weather

Hopefully the warm weather is to stay and if so please ensure that your child has a water bottle and named sunhat every day. We recommend that you apply long lasting sun cream in the morning so that it will last the day. If you need to send sun cream into school we will allow children to apply it themselves. Please can you name the sun cream so it does not go astray. We do not allow children to share sun cream and staff are not allowed to apply it on children.

Whilst it is warmer some children often ask if they can wear sandals. We do ask that children wear closed toed shoes at all times for health and safety reasons and to prevent accidents.

Massive Mini Church Challenge

I have already received several beautiful models of St Mary's church that were made over the holidays. It's not too late to take part if you would still like to. The base of the model needs to be about the size of a piece of A4 paper but no bigger than A3. The model can be made from any materials. The models need to be brought into

school during the week of 23rd April and we will set up the exhibition and judge the competition the week beginning 30th April. Happy modelling!
