

Cubbington C of E Primary School

Our aim is as simple as ABC

Achieving, Belonging, Caring

6th July 2018

Newsletter No.19

Dear Parents,

Our school is so busy at the moment there doesn't seem to be a minute to take a breath! This week alone we have had children attending sports events, visiting secondary schools, practicing the KS1 play, performing musicians, the lunchtime World Cup competition, a visit from our new Wrens for September and so much more. One highlight was the KS1 Sports afternoon as it was so lovely to see the children cooperating with each other and competing. The warm weather has meant we are able to spend lots of time outside and I wanted to reassure you that we consider this very carefully to ensure that we keep your children safe and well. Please help us by applying sun cream every morning and sending your children in with sun hats and water bottles every day.

You will be receiving your child's annual report next week and will be invited to come into school at the end of the day on Thursday 12th July. This will be an opportunity for you to look through your child's work from this year and maybe visit the classroom that they will be in next year.

Summer reading challenge

This summer the local libraries are hosting a reading challenge called 'Mischief Makers'

Head to your library this summer to join the Challenge – IT'S FREE! Sign up to receive your map of Beanotown and read at least SIX library books over the holidays. You will collect stickers for each book you read and you can add the stickers to your map to discover the hidden treasure and complete the challenge.

We love to hear about this in school at the start of the new academic year.

Year 5 at North Leamington School

On Tuesday, 3rd July, Year 5 attended a taster day at North Leamington School. They spent a whole day at the school to experience what life would be like at a secondary school. They were split into groups with children from other primary schools, then taken on a tour by Year 7 children.

Some of the highlights included designing and engraving a Perspex keyring on the computer in Tech, making phone cases using fabric, making a 'flanimal' in Humanities and combustion experiments in a proper Science lab.

The children also had a chance to ask questions about how tutor groups would work, and where they could go for emotional support or help with homework.

School Funding Group

Do you have a couple of hours or so a month to help raise money / resources or commodities from local or national Business or even School funding organisations that the school could be entitled to and missing out on. All of this would benefit the children throughout the school and maybe even the teachers. We have outlined the scope of the group, which has the support of the governors, and a willing coordinator all we need are some willing parents that can donate a few hours a month to provide time and effort to help us constantly improve our school for the children. Please contact admin3144@welearn365.com marking it for the attention of Chris Adams if you are interested or need more details.

Twitter

You can now follow @CubbCEPrimary on Twitter. Year 3 have asked me to try and get Harry Kane to retweet us as their motto for resilience at the moment is #whatwouldharrykanedo I will keep trying!

Cubbington Fun Day

As you have probably seen from the posters around the village the Fun Day is happening on Sunday 8th July at the Cliff Cleaver pavilion and playing fields. This year they have the RAF carrying out a flypast in the Battle of

Our Christian Value this half term is JUSTICE

Britain Memorial Flight Dakota. They are running a fancy dress competition based on the theme of flight, with a great prize of a flight simulator experience donated by Aeros at Baginton airport. It's free to enter, open to children and adults. Please see the poster at the end of the newsletter.

Uniform

I understand that it is near the end of term and it has been exceptionally warm but please can I ask that we maintain our high standard of uniform. It is important to us that children are dressed appropriately and smartly and in accordance with our uniform policy. Sandals and trainers are not appropriate footwear for the school day.
