

Wednesday 17th January 2018

Dear Parents,

My name is Nathan Anderson-Barr and I am the drum teacher at Cubbington C E Primary School. I teach drum lessons during school hours, each session lasting 20 minutes and there will be 9 weeks of lessons planned during the next term.

The charge of each lesson will be £5 per lesson this will be being shared with up to 4 students or if you would prefer an individual lesson then the cost would be £12.50, however there are limited numbers available for the individual lessons and would have to be approved by myself.

To enable lessons to be taught every week there will be a cover tutor on standby to help make sure all lessons are completed. The tutors name is Will and he will taking over when I am unavailable. Will is a fantastic drummer and guitarist and is part of a well-known band from Leamington Spa.

The children will be supplied with a drum kit and sticks, however sticks are available for purchase at £8 a pair to enable the child to practice outside of school.

Please return the slip below if your child is interested in taking part in these lessons. Your child will be allocated a weekly time slot to fit in with their school day. If you have any queries please contact me directly at nabme@com

Please make cheques payable to Nathan Anderson-Barr and please add a contact email address on the returnable slip to enable to contact you regarding any change of plans to the agreed lessons.

Yours sincerely

Nathan Anderson Barr
