Newsletter No.12

Dear Parents and Carers,

The children looked absolutely fabulous yesterday as we celebrated World Book Day. Thank you so much for the amazing effort that you put into this. We have had several days of shared reading around school and it has been lovely to see older children reading to a younger child in a quiet corner of school. Mrs Edmonds has also asked children to complete a book report and these are coming in thick and fast. I hope that your children have received their book voucher and enjoy spending it over the next few weeks. Reading is a strength at Cubbington C of E Primary School and it has been great to be able to celebrate this in school this week.

There are a few more occasions to celebrate over the next few weeks. The first of these is Comic Relief on Friday 15th March. We will encourage the children to wear official red noses and deely boppers if you wish to purchase these from local supermarkets, and we will hold a collection if you wish to donate to Comic Relief. We are also planning to celebrate World Down Syndrome day on Thursday 21st March. We will be teaching the children some facts about Down Syndrome and celebrating the fact that we are all different as individuals. We will invite children to wear colourful socks or tights for the day and to make a donation to the charity The Ups of Downs.

Staffing

We have welcomed Miss Laura Gibson to the team this half term. Laura has replaced Miss Neal and will be working across several classrooms.

Cross Country

The qualifying race for the Mid Warwickshire Cross Country Event took place at Morton Morrell College on Saturday 2nd March. Fifteen children from year 5 and 6 entered the girls' and boys' races, there were a few nerves as only the first 18 would qualify for the regional final. For some, this was their first cross country event and they were determined to complete the course finishing with a smile on their faces. All children who entered performed extremely well and it was wonderful to see great team spirit amongst the children. It was lovely to see Courtney and Imogen run over the finishing line holding hands, supporting each other through the race. There was some very tough competition, but Archie and Ila qualified for the regional race coming in at the front of the group, with Archie taking first place! Sebastian was also very close behind in 20th place, putting him on the waiting list. We are looking forward to the regional final on 23rd March!

You will find a link to the latest Family Information Service newsletter [here](#)

Parents evening software

We will soon be sending you the link to enable you to sign up for a time to meet your child's teacher. The dates planned are Thursday 4th April and Tuesday 9th April and you will be able to log in to select suitable times. This will go live on Monday 18th March at 8am. To log in you need the name and date of birth of one of your children.

SIMS Parent App

Hopefully you will all have received the emails recently about our new SIMS Parent App. The invites have been sent and many of you have already logged in. For those who still need to register, we would encourage you to do so as the link to the invite expires after 90 days. We are planning for the App to replace the annual Data Collection

Our Christian Value this half term is THANKFULNESS

Sheets and hope that it will make it a lot easier for you to check and update your contact details, children's medical info, consent options etc. If anyone has any queries about the App, please contact Alex in the office.
