

## Cubbington C.E Primary School P.E Newsletter

### SPRING 2019

Dear Parents and Children,

**Welcome to the Spring edition of our P.E newsletter. We have had an exciting term at Cubbington School with some fabulous achievements! Our lunchtime clubs and Marathon Kids have been very successful encouraging active lifestyles. These have been supported by our excellent Bronze Sports Ambassadors and our PE Apprentice, Harry Burnell.**

**The children across the school have also experienced a variety of sports being delivered by specialist sports coaches.**

#### **Exciting Coaching!**

This term we have had Dave Trowell from Leamington Brakes and Simon Keell from Advantage Sports providing excellent coaching across the school. The children have enjoyed handball, hockey and ball skills.

We also had some fabulous **rugby coaching** from Troy Perkins during this term for Years 4 and 5. It was wonderful to see the children so enthusiastic to develop their rugby skills and they had a lot of fun at the same time.

This is our sixth year involved in the Chance to Shine **cricket coaching** and festival. Years 4 and 5 have enjoyed some great coaching this half term leading up to a festival in the summer term that takes place at Hunningham Cricket Club on 22<sup>nd</sup> May for Year 4 and 23<sup>rd</sup> May for Year 5.

### **School Games Personal Challenge Event Year 3 – 14<sup>th</sup> January 2019**

All of the Year 3 children attended the Personal Challenge Event at Champion School. As part of the School Games programme our school provides personal challenge opportunities for our children. It is very important for children to compete and achieve their own personal bests and have opportunities to improve personal performances. All of Year 3 had personal challenges that they worked on over a couple of months in school which culminated in an event at Champion School. The children were brilliant showing great sportsmanship, encouraging each other to do their best. It was also wonderful to see our PE Bronze Ambassador leaders running the games.

### **School Games Squash Development Opportunity Year 3 – 4<sup>th</sup> April 2019**

On Thursday 4<sup>th</sup> April some children from Year 3 attended a Squash Development morning held at Leamington Lawn Tennis and Squash Club. The aim of the morning was to highlight and encourage more children to have a go at squash. The Head Coach, Jason Pike, taught them how to play squicket and then they had some games of squash against another school. The children came away knowing some basic skills and were inspired to want to play more. If you think your child would be interested in this sport, they would really like to hear from you.

### **Cluster Table Tennis Competition Year 5 – 21<sup>st</sup> March 2019**

On Thursday 21<sup>st</sup> March, Ralph, Sylvie, Burton and Esme took part in a Cluster Table Tennis event held at St Pauls School in Leamington Spa. The children played against other Year 5 and 6 children from a few other local schools in our cluster. Although they were a little nervous trying out something new, they gave it their all and had a brilliant time! The group played very well scoring many points and learning as they went along showing excellent sportsmanship.

## **Cluster Dance Festival – 11<sup>th</sup> April 2019**

Three of the youngest children and two of the oldest children in our school performed at Trinity School in a Cluster Dance Festival. Bromley, Lila Mae and Esme from Reception and Sophie and Ila from Year 5 and 6. The children performed their dances confidently in front of five other dance groups from other schools with flair and poise. As well as performing their own routines the children enjoyed learning new dances during the afternoon delivered by Liz England. Liz England will be continuing our dance club at school, but it will now be on a Tuesday lunchtime. If your child is interested please contact the school office for more information.

## **Warwickshire Cross Country League Final Event – Year 5 and 6**

Archie and Ila competed in the final of the Warwickshire County Cross Country Event at Morton Morrell College representing the Central Area on Saturday 23<sup>rd</sup> March. Archie achieved third position and Ila sixth position against a field of eighty children, an amazing result! The Central Area Cross Country team also came in first position. This is a photo of Archie and Ila proudly showing their certificates, medals and trophies! A huge thank you to the children who came out on that morning to support their friends running, so wonderful to see.

## **Change 4 Life Club**

We are beginning our Change 4 Life Club for KS1 in the new term, a fun active club encouraging health and fitness. It will be run by Harry Burnell, our PE Apprentice, and supported by our Bronze Sports Ambassadors. Some children from KS1 have been invited to join the club and we are sure that they will enjoy the activities and sports that they will experience over the 6 weeks.

## **Celebrating Children's Success**

At school the children have the opportunity to share their sporting achievements with the rest of the school at merit assemblies on a Thursday. We have enjoyed seeing the many sporting achievements and also the diverse range of sports that the children are involved in. Please continue to pass any information to either myself or to the office and we would love to include it in our next newsletter and put information on our school P.E board.

Thank you in advance for supporting our clubs and keeping children motivated and enjoying sport.

Best regards,

Mrs Jackie Caress
