Newsletter No.10

Dear Parents and Carers,

It has been a fantastic week of fundraising in school this week. The children looked great in their red and yellow outfits on Thursday to celebrate Young Carers Day. Mrs Jenks led an assembly to inform us all about the different roles that Young Carers might take on and to help our children to be aware of the additional responsibilities that they may have. We have had a relationship with the Young Carers group in Warwickshire for a number of years and we have achieved the gold award for all of the work that we have done with them. Thank you for helping us to support this charity – we have raised £145.

The PTA arranged a collection of recyclable materials earlier this week and we have been told that we have raised £123. Thank you for supporting this – hopefully we have helped you to clear out some space at home!

We have made a start in planning some activities for World Book day on Thursday 5th March and Mrs Edmonds will send out a separate letter next week to let you know what we will be getting up to.

PTA

Our lovely PTA are currently planning some exciting events for all of our families to take part in alongside all of the regular cake sales and quizzes that they already do. They are such a dedicated group of parents who are committed to supporting the school to raise additional funds but they are really struggling for support. If you think you can give a small amount of time and energy to help them with any aspect of their events or if you fancy coming along to a meeting you would be most welcome. Please see below for more information.

Finances

Please can you check your Parent Pay accounts and make sure that your payments for lunches, music lessons, trips and after school clubs are up to date. We are starting to get ready for the end of the financial year and it will be really helpful if you can ensure that you have paid any money owed. If this causes any problems for you then please make an appointment to discuss it further.

School shoes

I have noticed that some children have been wearing incorrect and inappropriate footwear to school. Please may I remind parents that only black shoes are acceptable as part of the school uniform; trainers, Vans, Dr Marten style boots, and sandals are not suitable.

As many of you may know we have a PTA at Cubbington Primary School who work all year to raise much needed funds for the children.

We are soon to lose several of our team due to children moving on and are looking for new recruits. You DON'T have to attend meetings or EVERY event!!! Any help would be gratefully appreciated. Often we just need an extra pair of hands or someone to collect supplies.

If you think you can help please let us know or leave your details at the office.
