Newsletter No.9

Dear Parents and Carers,

Despite the challenges that this week has brought us at school the children have had a super time celebrating the festive season with their classes. Christmas dinner was a huge success and everyone has thoroughly enjoyed the pantomime and Christingle service.

The absolute highlight of the week was the release of the KS1 nativity and the KS2 concert. The staff and children worked so hard to produce these and I felt immensely proud of everyone as I watched them. We could not give the children the experience of performing live to a huge audience this year but hopefully we brought a bit of magic to your homes instead. We have already had some lovely feedback about them and I will continue to pass these comments onto the staff.

I continue to be overwhelmed by the community that we are a part of in Cubbington. We have received generous donations from local businesses and shops this term which has provided treats for our children and staff. Working with St Mary's church we collected more toys than ever before to be gifted in the local area. This week our Year 6 children walked up to Cubbington Mill to wave at the residents and to sing them some Christmas carols. They did this in the pouring rain but I know that it brought a great deal of joy to the residents.

We will all really miss our annual end of term sing a long in the hall. This is usually a very special time to be together and to sing some classic Christmas songs but obviously we cannot do it this year. For those of you that don't know how you will cope without the staff rendition of 'The 12 days of Christmas' please do not worry – an extra special version will be appearing on Seesaw later today!

I hope that you have a lovely Christmas break and that you and your families all stay safe. I look forward to seeing all of the children back in school on Tuesday 5th January 2021.

Merry Christmas and a Happy New Year!
