

Cubbington C of E Primary School

Our aim is as simple as ABC

Achieving, Belonging, Caring

8th January 2021

Dear Parents and Carers,

There have been moments this week where I have wondered how we can possibly be back in a full lockdown situation! Initially it felt like we were going back to square one but as the week has progressed and the incredible team at Cubbington have worked together I have realised how much we have learnt from our previous experiences and how capable we are at supporting our children and families.

During this lockdown we will aim continue to build on the sense of connection between school and home and to reduce the risk of the children losing what they have learnt in the last term. We will do our best to progress through the curriculum and we will ensure that children will receive the same activities and experiences whether they are at home or in our keyworker facility.

Just because we're not all in the same building, doesn't mean we can't have some fun together! Your children will have lots of activities they can get stuck into over the spring term – so keep a close eye on Seesaw and keep sharing your amazing work and achievements with us. It is vital that we can all find a balance during this lockdown and this will look different in every home.

For those of you supporting your children at home, we will do all we can to support you and your child and we understand that this has to fit around your other family commitments. We know how challenging this is for you and we want to help so please stay in contact with your child's teacher through Seesaw. One of the many strengths of Seesaw as a platform is that parents and children can both use it to access the teacher and I know that this is helpful. Please try to be respectful of the working hours of the teachers and try to keep contact within the school day where possible.

We will be keeping registers of how often children are engaging with Seesaw and we may send you a message or give you a call if we have not heard from your child. Mrs May will be making some of these calls on behalf of the teachers.

If you have difficulty accessing any online learning, regardless of year group due to lack of device or WIFI, please contact us and we will see if we can help in any way. We want to ensure that no child is disadvantaged in any way and that on their return to school they will have had the same access to learning as others.

We don't know when we will be back together again as a whole school, but rest assured that we'll continue doing our utmost to keep your child learning and our school community connected.

Kind regards,

Mrs Juliet Jones
Headteacher

'Be courageous, for the Lord your God will be with you wherever you go' Joshua 1:9
